**Subject:** LDW: Draft Tech Memo Re: IW Keymanhole and Industrial User Sampling for Selected Phthalates and Benzyl Alcohol  
**Attachments:** LDW\_KCIW\_2006\_Sampling\_of\_IUs\_TM.doc

Jeff and Jim:

Here is the draft technical memorandum on IW sampling in the LDW for phthalates and benzyl alcohol. Please review and provide your comments by 11/16/07. The figures and tables are too large to send via e-mail so I will provide hardcopies for both of you.

Thanks,

Bruce
